

Volunteer - Handbook

Thank you for offering to help with the children – we are delighted that we are able to use your time, skills and patience to the benefit of the children at our school. We hope you have an enjoyable time while you are with us.

The school has a duty to safeguard and promote the welfare of its children. This includes a duty to take all reasonable steps to ensure that adults who come into the buildings or grounds are not a risk to the children or young people. This is a welcoming place and visitors enhance our provision of education. We are also fortunate to have many parents and volunteers who help in the classroom and with other activities.

It is important to have a policy that includes measures to ensure suitability of all volunteers and visitors. This is a streamlined procedure because it is not necessary to impose onerous requirements on our staff or our volunteers and visitors. However, we do need to recognise that visitors and volunteers in particular are seen as safe and trustworthy adults and sensible precautions are needed.

Aims

Our aim is to maintain a safe environment for children and young people through the operation of sensible and proportionate procedural checks to ensure volunteers are suitable people to be working in school with children. Volunteers will be equipped with the knowledge of who the Designated Safeguarding Leads (DSL) are should they have a concern regarding safeguarding.

You will find the following information in the fullest detail in the **Guidance for Safer Working Practice for Adults Who**Work with Children and Young People and Child Protection Policy. The DSLs are:
