### Christmas Holiday:

Last day: 20/12/19

First day back: 6/1/20

## Event Dates

### Red Nose Day

15/3/19

### PE KITS

Please can I remind you that the children needs to have their PE kits in school on a daily basis.

### Learning Journey

Seahorses and Lobsters went to Stover Country Park to start their new Science topic learning - Living Things and their Habitats. The children had a lovely day looking at the different habitats there, mini-beast hunts and watching greedy squirrels! We had a great day and can't wait to learn more...

### Reading

Congratulations to **Seahorses** this week who are in top place, Again, in the home reading challenge. They seem to be unbeatable at the moment!

### Guinea Pigs

Many thanks to everyone who has kindly offered to support the school by sponsoring the guinea pigs. The children love to help care and look after the Guinea pigs under the guidance of Mrs. Maunder. Your generosity is very much appreciated.

### Children's University

Some of the children who are actively taking part in the Children's University project have had an exciting trip to Plymouth University this week. The children from Sharks & Lobsters visited the University to learn all about the planet Earth and how it has changed over millions of Years and how animals evolved. The children enjoyed this science based activity and were an absolute credit to the school. Ms. Coria for organising the trip and Mr. Davies for driving the bus.

### Gates Closing

Just to remind you that the gates leading into and out of the Nursery and Reception outdoor area, which are open at the beginning of the day, will be closed promptly at 9.10am. The reason for this is to ensure it gives Nursery & Reception parents time to settle their children into the setting at the start of the day and pass on any information to the relevant adults in the Early Years. It also enables teaching and learning activities to start promptly, which includes using the outdoor area which must be made secure before children can access this.

### Red Nose Day

The Pupil Leadership Team have asked that I pass their thanks on to everyone who took part in the Red Nose Non- Uniform Day today. As well as having a chance to wear non - uniform the purpose of the day was raise money to support the Comic Relief charity. This is a charity that the PLT wanted to support as their work makes a huge difference to many people's lives both in the UK and around the world. Your donations will be passed on to the charity - many thanks again.
