SCHOOL LETTINGS POLICY

Introduction

The Governing Body regards the school buildings and grounds as a community asset and will make every reasonable effort to enable them to be used as much as possible

However, the overriding aim of the Governing Body is to support the school in providing the best possible education for its pupils, and any lettings of the premises to outside organisations will be considered with this in mind.

The school's delegated budget (which is provided for the education of its pupils) will not be used to subsidise any lettings by community or commercial organisations. A charge will be levied to meet the additional costs incurred by the school in respect of any lettings of the premises. As a minimum, the actual cost to the school of any use of the premises by an outside organisation must be reimbursed to the school's budget.

Definition of a Letting

A letting may be defined as "any use of the school premises (buildings and grounds) by either a community group (such as a local music group or football team), or a commercial organisation (such as the local branch of 'Weight Watchers')". A letting must not interfere with the primary activity of the school, which is to provide a high standard of education for all its pupils.

Use of the premises for activities such as staff meetings, parents' meetings, Governing Body meetings and extra-curricular activities of pupils supervised by school staff, fall within the corporate life of the school. Costs arising from these uses are therefore a legitimate charge against the school's delegated budget.

Charges for a Letting

The Governing Body is responsible for setting charges for the letting of the school premises. A charge will be levied which covers the following:

-

- Cost of services (heating and lighting);

-

- Cost of staffing (additional security, caretaking and cleaning) - including "on-costs";

- Cost of administration;

-

- Cost of "wear and tear";

-

-

- Cost of use of school equipment (if applicable); Profit element (if appropriate).

Where there are multiple lettings taking place at the same time, the costs for services and staffing will normally be shared between the organisations involved.

The specific charge levied will be reviewed annually, during the spring term, by the Finance Committee for implementation from the beginning of the next financial year, with effect from 1 April of that year. Current charges will be provided in advance of any letting being agreed.

Management and Administration of Lettings

The Headteacher is responsible for the management of lettings, in accordance with the Lettings policy. Where appropriate, the Headteacher may delegate all or part of this responsibility to other members of staff, whilst still retaining overall responsibility for the lettings process.

If the Headteacher has any concern about whether a particular request for a letting is appropriate or not, he will consult with the Chair of the Finance Committee who is empowered to determine the issue on behalf of the Governing Body.

The Administrative Process

Organisations seeking to hire the school premises should approach the SBM who will identify their requirements and clarify the facilities available. An Initial Request Form (a copy of which is found at Appendix 1) should be completed at this stage. The Governing Body has the right to refuse an application, and no letting should be regarded as “booked” until approval has been given in writing.

No public announcement of any activity or function taking place should be made by the organisation concerned until the booking has been formally confirmed.

Once a letting has been approved, a letter of confirmation will be sent to the hirer, setting out full details of the letting and enclosing a copy of the terms and conditions and the hire agreement.

The letting should not take place until the signed agreement has been returned to the school. The person applying to hire the premises will be invoiced for the cost of the letting, in accordance with the Governing Body’s current scale of charges. (Schools may wish to seek payment in advance in order to reduce any possible bad debts.)

The hirer should be a named individual and the agreement should be in their name, giving their permanent private address. This avoids any slight risk that the letting might be held to be a business tenancy, which would give the hirer security of tenure.

All lettings fees which are received by the school will be paid and then paid to the LA who will reimburse the school budget share Income and expenditure associated with lettings will be regularly monitored to ensure that at least a “break even” situation is being achieved.

TERMS AND CONDITIONS

FOR THE HIRE OF THE SCHOOL PREMISES

All terms and conditions set out below must be adhered to. The “Hirer” shall be the person making the application for a letting, and this person will be personally responsible for payment of all fees or other sums due in respect of the letting.**Status of the Hirer**

Lettings will not be made to persons under the age of 18, or to any organisation or group with an unlawful or extremist background. The hire agreement is personal to the hirer only, and nothing in it is intended to have the effect of giving exclusive possession of any part of the school to them or of creating any tenancy between the school and the hirer.

Persons may have to undergo, at the discretion of the Governing Body, a criminal record check via the Disclosure & Barring Service .

Any adults providing activities on the school premises must be appropriately qualified.

The SBM will resolve conflicting requests for the use of the premises, with priority at all times being given to school functions.

Attendance

The Hirer shall ensure that the number of persons using the premises does not exceed that for which the application was made and approval given.

The hirer is responsible for completing a register each session for Health & Safety purposes.

The hirer must ensure that any participants have consent to take part in the activities and are fully aware of any medical issues.

Behaviour

The Hirer shall be responsible for ensuring the preservation of good order in line with the school behaviour policy for the full duration of the letting and until the premises are vacated.

Hirer shall be responsible for providing adequate supervision to maintain order and good conduct, and - where applicable - the Hirer must adhere to the correct adult/pupil ratios at all times.

It is the Hirer's responsibility to ensure that all those attending are made aware of the fact that they do so in all respects at their own risk.

Damage, Loss or Injury

The Hirer warrants to the Governing Body that it has appropriate public liability insurance to cover all its legal liabilities for accidents resulting in injuries to persons (including all participants in the activity for which the premises are being hired), and/or loss of or damage to property, including the hired premises, arising out of the letting. The minimum limit for this insurance cover is £2 million. The Hirer must produce the appropriate certificate of insurance cover before the letting can be confirmed.

Insurance for One-off Lettings

Individuals should be asked whether they have any contents insurance and if so, to check whether it will cover their personal liability for the purposes of the let. If covered, they must provide appropriate evidence (confirmation from the insurers that the event is covered and the policy is in force on the relevant date). The minimum acceptable limit of liability should be £2m.

Please note that the Council's insurance will not cover the use of bouncy castles unless they are hired with an operator who has the appropriate liability insurance.

Neither the school, nor the Local Authority, will be responsible for any injury to persons or damage to property arising out of the letting of the premises.

Furniture and Fittings

Furniture and fittings shall not be removed or interfered with in any way. No fittings or decorating of any kind necessitating drilling, or the fixing of nails or screws into fixtures which are part of the school fabric, are permitted. In the event of any damage to premises or property arising from the letting, the Hirer shall pay the cost of any reparation required.

This can only be used if requested on the initial application form, and if its use is approved by the Headteacher. Responsible adults must supervise the use of any equipment which is issued and ensure its safe return. The Hirer is liable for any damage, loss or theft of school equipment they are using, and for the equipment's safe and appropriate use.

First Aid Facilities

There is no legal requirement for the school to provide first aid facilities for the Hirer. It is the Hirer's responsibility to make their own arrangements, such as the provision of first aid training for supervising personnel, and the provision of a first aid kit, particularly in the case of sports lettings. Use of the school's resources is not available.

Food and Drink

No food or drink may be prepared or consumed on the property without the direct permission of the Governing Body, in line with current food hygiene regulations. All litter must be placed in the bins provided.

Intoxicating Liquor

No intoxicants shall be brought on to or consumed on the premises.

Smoking

The whole of the school premises is a non-smoking area, and smoking is not permitted.

Copyright or Performing Rights

Sub-letting

The Hirer shall not sub-let the premises to another person.

Charges

Hire charges are reviewed annually and the current charge is set out in the Hire

Agreement.

Variation of Scales of Charges and Cancellations

The Hirer acknowledges that the charges given may be increased from time to time (they will be reviewed by the Governing Body on an annual basis) and that the letting may be cancelled, provided that in each circumstance at least 28 days' notice either way is given.

It is the Hirer's responsibility to notify parents in writing (where appropriate) of any changes in dates or venues at least a week in advance.

Security

The Governors will hire and pay for a person to be responsible for the security of the premises before, and after the hire, this cost will be included in the charge for the letting. If no suitable person can be employed, then the letting will not be allowed or will be cancelled. Only named key holders may operate the security system. Keys should not be passed to any other person without direct permission of the Governing Body of the school.

Right of Access

The Governing Body reserves the right of access to the premises during any letting. The Headteacher, delegated staff or members of the Governing Body from the Finance Committee may monitor activities

Conclusion of the Letting

The Hirer shall, at the end of the hire period, leave the accommodation in a reasonably tidy condition, all equipment being returned to the correct place of storage. If this condition is not adhered to, an additional cost may be charged.

Vacation of Premises

The Hirer shall ensure that the premises are vacated promptly at the end of the letting.

The Hirer is responsible for supervising any children taking part in an activity until they are collected by a responsible adult. In the event of an emergency, occupants must leave the school by the nearest exit and assemble on the school playground. The Hirer must have immediate access to participants' emergency contact details, and may use the telephone outside the school office in the event of an emergency. Hirers are responsible for familiarising themselves with emergency exits and must ensure that participants are aware of evacuation procedures.
