

**IMPACT OF PROVISION 2016/17**

<b>Investment</b>	<b>Rationale</b>	<b>Success Criteria</b>	<b>Impact</b>
<p>Sports Premium Leader</p> <p>£ 3 900 £ 600 (resources)</p>	<p>To achieve self-sustaining improvement in the quality of PE and sport in primary school.</p> <p>We would expect indicators of such improvement to include: The engagement of all pupils in regular physical activity – kick-starting healthy active lifestyles</p> <p>The profile of PE and sport being raised across the school as a tool for whole school improvement</p> <p>Increase confidence, knowledge and skills of all staff in teaching PE and sport. Broader experience of a range of sports and activities offered to all pupils</p> <p>Increased participation in competitive sport.</p>	<p>The website is up to date reporting the spending allocations</p> <p>Quality Teaching and Learning will be taking place with a progression in skills and a clear outcome will be provided.</p> <p>Regular participation in intra and inter sports across the school.</p> <p>Maintain enrichment opportunities within a budget and QA.</p> <p>Opportunities for children to compete competitively and to improve on their own abilities.</p> <p>Establish swimming achievements reward system.</p> <p>Quality assure provisions @ lunchtimes</p>	<p>Quality Teaching and Learning is regularly observed through monitoring, across all key Stages and by Class Teachers and Sports Coaches. Also CPD has taken place to support staff members' confidence and skills in delivering high quality lessons.</p> <p>Intra competitions take place every half term, to show the outcome of the skills taught – netball competitions, rounder tournament, and gymnastic demonstrations.</p> <p>Successful Inter competition has led to the football team playing at Plainmoor Football ground, children competing in the half marathon as well as friendly inter competitions with Football, Netball and Basketball.</p> <p>An average of 76% of pupils are accessing After School clubs and the lunch time provision of a Sports Coach.</p> <p>A successful sports day for all children across all key Stages, which saw all children participate.</p> <p>'Watcombe School Record's enabled children to compete against children in their year group and provide a challenge to improve on previous achievements. (44% of school records were beaten this year)</p> <p>Children are rewarded for their achievements in Swimming from Beginner to Improved and Developing Swimmer, providing a sense of achievement. 28% of year 5 and 6 completed the NC expected 25 meter swim.</p> <p>Accreditation for 'School Games' award achieved @ Bronze level.</p>
<p>Resources</p> <p>£ 390</p>	<p>High quality equipment for pupils to access</p>	<p>High quality equipment available for pupils to use</p>	<p>Children are able to access a range of new equipment to support their learning - (plastic javelins, new safety mats)</p>
<p>Multi Sports Coach</p> <p>£ 2 600</p>	<p>Lunchtime sports coaching activities for all pupils</p>	<p>All pupils will have the opportunity to participate in sports activities lead by a qualified coach at lunchtimes.</p>	<p>An average of 76% of pupils are accessing After School clubs and the lunch time provision of a Sports Coach.</p>

		Activities are differentiated to meet the needs and ages of the children.	Children are enjoying the lunch time activities and there has been a reduction in behavioural problems at lunch time due to children being more engaged.
Internal school clubs £ adult good will	Opportunities to develop specific sporting skills and participate in inter school experiences	More children will become physically active after school.	Children from across the school have the opportunity to attend on average 10 different sports run every half term. Clubs are run by members of staff and supported by a Sports Coach. On average 64% of our children are attending these clubs.
Sports Association Affiliation fees £ 170	Access a range of activities and resources to support the teaching and learning across the school.	Up to date information and resources available from the varying associations.	Staff and children are able to actively participate in a range of activities. Tennis Lessons with a coach, were funded by the Tennis Club, for a period of four weeks for 20 children.
Swimming cost contribution £ 1000	Pupils can access the swimming curriculum	Pupils learn to swim prior to leaving primary school the NC expected 25 meters.	27% of year 5 and 6 pupils were able to achieve the NC aim of swimming 25meters due to additional Swimming lessons.

The impact of the Sports Premium funding has been very positive. There has been a significant rise in the range of sporting activities provided through school and a rise in the level of participation in both internal school clubs / activities and external.

All improvements linked to the Sports Funding are designed to be of a sustainable nature. For example investing in specific resources for teachers to use and employing sports coaches to work alongside teachers in order to promote professional development will enlance the practice and outcomes over time through building a secure infrastructure. This has been recently acknowledged through the accreditation of the Sainsbury's School Games Award.

The Pupil Leadership Team research (January 17) shows that the number of children taking part in school activities outside of lesson time is as follows:

Very frequently	Frequently	Sometimes	Not very often	Never
59%	27%	8%	5%	8%

It is our aim to continue to provide a wide range of activities for the pupils to participate in outside of lesson time as this will have a great impact upon their health, social development and emotional well being. The range of clubs will be guided by the pupils and where their interests lay as well as offering new activities to broaden their horizons. We very much hope that pupils and their families will continue to support these developments and actively participate

	2008	2016	2017
% pupils participating @ in school clubs		59%	64%
% pupils participating @ out of school clubs	14% (National was 32%)	54%
