Shrimps - Khloe & Phoebe

Seals-Henry

Dolphins-Stanley

Seahorses-Cye

Lobsters-Lana

Sharks-Jude

Hermit Crabs-Darcie-Mae & Keaton

Starfish-Theo

Breakfast Club-Oliver

Dear Parent / Carer

Several children have been busy representing the school this week. With Year 3-4 and Year 5-6 football teams competing well against pupils from Roselands. All children gave a great account of themselves with Year 3-4 team losing 4-2 and the Year 5-6 team triumphant after a dramatic penalty shootout. Furthermore, our Year 5-6 Netball attended the County Netball Finals. They faced some strong competition, but again can be proud of their performance and even reaching these finals. Very well done to all!

On Tuesday the children celebrated World Down Syndrome Day, many wearing odd to recognise the importance of inclusion and the celebration of difference.

Last week, Mrs Corben and the kitchen team were visited by Environmental Health and I am very pleased to share that they have maintained their 5 star rating. Huge thanks to everyone in the kitchen. New menus for the summer term will be available shortly. If your circumstances change and you receive state benefits, it is likely that you would qualify for a free school meal. If this is the case speak to the office or visit link to the left.

Unbelievably, next week is the last week before the Easter Holidays. Thursday will be a whole school arts day focussing on getting the children working together to develop their artistic talents. Then on the last day of term, will be a non-uniform day for the house group who have acquired the most points. We will let everyone know on next week, so there are still a few days to collect those house points!!

Finally, huge thanks to the Friends of Watcombe for arranging yesterdays cake sale. Sadly, the weather didn't get the message!! On Friday 31st there will also an Easter Bingo. Please come and support. Monies raised over the last 12 months have been committed to spend on the school minibus, a grounds project and to support EYFS with more resources for their outdoor area and I'm sure will really make a difference. So, if you can support these events, it is most welcome!

Kind Regards

Mr T Nield
